How do you intend on funding your flying?

What sparked your interest in aviation?

Do you have any other extracurricular activities that may impact your ability to attend regular monthly Young Eagles events and meetings?

SCAC Young Eagles Application

Terms and Conditions

- Young Eagles are considered junior aero club members and are gifted a full flying membership to the club whilst under the age of 18 and in secondary school however they will not have voting rights at the Annual General Meeting.
- Young Eagles are expected to fully participate in all meetings and activities throughout the 12month program. If unable to attend a meeting the Young Eagle must contact the club / Young Eagles Coordinator to advise so.
Failure to attend two meetings without contact will result in removal from the program without further notice.
- Young Eagles represent the club when at the club or on visits, and therefore must behave in a polite and respectful manner.
- The group will fundraise at least once a year to replenish the clubs Young Eagles fund. Young Eagles are expected to fully participate and assist where able.
- Parents are encouraged to get involved as well and are welcome to attend visits, events and fundraisers.
- Young Eagles may at times travel in private vehicles to industry visits.
- Young Eagles may fly in privately owned aircraft including certificated and limited category aircraft including but not limited to, microlights and warbirds.
By signing this the parent gives permission for the Chief Flying Instructor or Young Eagles Coordinator to allow the Young Eagle to participate in these flights.
- Young Eagles must ask permission before flying in an aircraft if offered a ride by another pilot or club member.

The CFI (Chief Flying Instructor) recognises the duty of care given to the club and its members/pilots, and only allows our best pilots/role models to fly with the Young Eagles. The CFI also knows aircraft and will only allow a Young Eagle to fly in an aircraft if he is familiar with the aircraft, its owner and maintenance providers.

CFI SCAC - 79247.
